

Dear SBANP Members,

As we prepare for another year of collaboration and community impact, we invite you to renew your membership with the South Boston Association of Non-Profits (SBANP) for the 2026–2027 membership year.

Since our founding in 2000, SBANP has served as a catalyst for dialogue, partnership, and action among South Boston's nonprofit organizations. For more than two decades, we have brought together community leaders to address critical issues affecting our neighborhood, including housing, education, substance use prevention, waterfront development, funding challenges, and the ongoing need to connect residents with resources and opportunities.

While South Boston has changed significantly over the years, our commitment to building a stronger, healthier, and more equitable community remains steadfast. Through collective advocacy, information sharing, and collaboration, SBANP continues to provide a unified voice for the nonprofit sector and a forum for addressing emerging community needs.

Our monthly meetings remain open and inclusive, providing opportunities to connect with fellow nonprofit leaders, hear from guest speakers, learn about community initiatives, and share organizational updates. Meetings will continue to be held via Zoom, making participation accessible and convenient for all members.

By renewing your membership, you will continue to support our shared mission: *"To inspire a collective and powerful voice among the leadership of South Boston's nonprofits to influence change and build a healthier community for all of our residents and neighbors."*

Membership benefits include:

- Access to grant opportunities distributed through SBANP
- Promotion of your organization through the SBANP website and social media channels
- Inclusion of your organization's programs and fundraising events on the SBANP community calendar
- Networking and collaboration opportunities with fellow nonprofit leaders and community partners
- A stronger collective voice advocating for the needs of South Boston residents

For the past 26 years, SBANP has represented the very best of South Boston's nonprofit community — working together to create meaningful change and improve the lives of our neighbors.

Please take a moment to renew your membership (<https://forms.gle/uBXkvfVxjh5am4MM8>) and submit your annual dues of \$200 for the period of July 1, 2026, through June 30, 2027, at <https://sbndc.harnessgiving.org/campaigns/11173> or via check to South Boston NDC, 273 D Street, South Boston, MA 02127.

Thank you for your continued partnership, leadership, and commitment to our community.

Sincerely,
