- Trying to get possible solutions for this and she is open to any ideas
- Will provide mental health services to students

Presentation from Accordia Partners – [Dorchester Bay City](#) project update

Brief Update ([Presentation Link](#))

- 3rd major update about the project and your last feedback was very helpful
- A map was shown of the area
- K Circle traffic will be reduced depending on this plan
- reduced the size of the project by removing a building and replacing it with a pavilion which will consist of restrooms, business, restaurants etc.

- some the heights of buildings are reduced
- increased open space and civic social space
- increased residential building account
- 20% onsite affordable housing
- \$36 million transportation options
- \$18 million of resilience funding to reduced flood
- [Climate Ready Boston](#) in their plans
- Work Force Training Center will be available to the public and will be built early
 - Partnered with Boston Construction Apprenticeship
 - Strong outreach to South Boston and Dorchester
 - Nonprofit workforce training
 - Education Programming for youth will be available
- Less parking and more on environmental options like MBTA, blue bikes and ride share accessibilities

Community Benefits Fund: Early Stages

- The money will go to nonprofits in the area
- Competitive Grant Progress (No specific focus yet but will soon)
- Community Involvement of this progress will be in mind in the selection process
